Victoria Harbour Photo and Fireworks Point

Mount Butler, Jardines Lookout

A perfect location for taking photographs with a clear view of Hong Kong's beautiful Victoria Harbour, and also for enjoying the exciting fireworks including the Multi-Media Lighting Spectacular that held on both sides of the Victoria Harbour every night at 8:00 pm.

Victoria Harbor looking North-West 10:00 am

It is a peaceful location around the top of Jardines Lookout, surrounded by the natural environment. It is a good location for people to relax and relieve all the pressures they have from their work.

Neighbourhood

Mount Butler neighbourhood is located in the Wan Chai District, Hong Kong Island. In order to reach the neighbourhood with a reasonable amount of travelling fee would be taking a green top mini-bus. It travels from the Exit A of MTR Admiralty Station to the Government Non-Departmental Quarters on No.111 Mount Butler Road. It's possible to pay the bus fee HKD\$6.30 by an Octopus Card or coins. Depending on the

Ethic For Travellers

Please do not leave any rubbish behind after visiting, and also do not pick up any natural souvenirs.

traffic conditions, the travel time should be around 20 to 30 minutes.

Getting to the Photo Point Location

Please refer to the map on the back and follow the trial to the Photograph Point as shown.

After getting off the Mini-Bus as the image shown on the left, follow the main road on your right and

Mini-Bus Drop Off Point

heading West to South –West. After around 295m, you should arrive to a junction, take the left trial and continue walking on the main road. After that, you will come to 3 more junctions in total, and every time just precede to the left one. Then, your direction should heading to the North, follow the main road until you reached gate that has a "No Entry" sign on it. You then turn left and walk along the dirt trial, after around 294m, you will come to a junction, take the left one again. After 207m, you will arrive the photograph point. If you are interested, once you've finished taking photographs or enjoying the exciting fireworks lighting show, it's quite a good idea to follow the hiking trial and have a short hike along the trial having the beautiful view of the Victoria Harbour along your left side.
