Ching Ching Desserts (晶晶甜品)

This dessert store is located in Electric Street of Tin Hau. It is right next to many other restaurants in the area (most of them serving local style dishes) and is the perfect place to go to after a meal.

Delicacies

The store is famous for its wide variety of desserts (most of them are Chinese-styled desserts), over 50 types of desserts including sweet soups (糖水), grass jelly, fruits, beancurd, pudding and more. Furthermore, you can create your own dessert by mixing two or three selected ingredients together. Most of the desserts are priced at around \$19 - \$30 dollars.

An example of a mix between sesame sweet soup and glutinous rice balls (芝麻糊湯圓) is shown to the right.

The above picture shows the store located in Electric Road.
