Natural Environment

◦Trail from Braemar Hill to Mount Parker Road◦

Starting at Braemar Hill, this 6km route leads through Siu Ma Shan, Mount Butler, Quarry Gap and finishes at Mount Parker Road, just off King's road, Quarry Bay. Immerse yourself within nature as you spot different animals and insects such as squirrels, different species of birds, butterflies and dragonflies along the hike, and admire the stunning scenery of the Tai Tam Country Park from Quarry Gap. More scenic views of Hong Kong can be seen at the summit of Mount Butler, such as the island's landforms, crowded cities, and also Victoria Harbour.

Trees line your path through nature

Traveller's code of ethics

- Move cautiously and quietly in natural areas.
- Do not collect natural souvenirs.

Neighbourhood

Braemar Hill is situated in the North Point district, at the north of Hong Kong Island, and is known for being the location of many well-known schools in Hong Kong. It can be easily accessed by many buses, as stated below:

<u>Bus no.</u>	<u>Time (mins)</u>	<u>Location</u>
25 (green mini bus)	15	Central – IFC, ferry pier
49M (green mini bus)	15	Causeway Bay – Patterson street
25 (First bus)	40	Tin Hau – MTR station, bus terminus

Directions

From the bus terminus, cross the road and walk eastward to St. Joan of Arc School, and down the stairs at the north end of the school. This is your starting point – refer to map on opposite side of guide for details on trail.
