Star Seafood Floating Restaurant

Don't know where to have an amazing feast in the New Territories? This marble boat-shaped, floating, beautifully decorated restaurant is located on the East bank of the Shing Mun River at the junction of Siu Lek Yuen Road and Tai Chung Kiu Road. Stepping into the ancient Chinese decorated entrance, you will be greeted by fresh fishes in tanks, each type providing a whole new experience of taste.

In the two floors above, you can taste a large variety of food, ranging from Indian to Chinese to Japanese; from curry to dim sum to sushi. And while you are eating, you can enjoy the beautiful views of the Shing Mun River.

How can you get there?

Since Star Seafood Floating Restaurant is located in Shatin, it is extremely convenient for you to reach the restaurant. If you come from places other than Shatin, you can choose to take the KCR and get off in Shatin station. And then, go to the main bus stop in New Town Plaza. That's where you'll see bus lines 85K, 284 and 299. The trip is only about ten minutes long, and plus the bus stop is right outside of the restaurant, so you don't have to starve!

85K - \$4.2, 05:45 - 24:00
284 - \$3.1, 06:40 - 24:00
