

Scenery: Urban

Kowloon East Photo

If you are desperate to capture the natural scenery of Hong Kong, the photo point at Quarry Bay Park is your ideal

KOWLOON EAST

location. It is located at the bay of Tai Koo Shing with a 5 minute walk from a nearby public transportation stop. The park is very big and is connecting to the sea side corridor of Quarry Bay, Tai Koo Shing and Lei king Wan. After enjoying the natural and urban scenery of Eastern Kowloon, you could buy a fishing rode and start fishing or buy a bite and start flying it in the park. It is one of the biggest sea side parks in Hong Kong and a place you don't want to miss.

FISHING SPOT

If you are hungry, you could always go to the sea side restaurants that does not only provide delicious sea food, but the beautify sea view can surely ignite your appetite and enhance your meal experience. After meal, you could also visit the shops on your way to the furthest end of the park corridor. For shopperholics, they could go to City Plaza located at the center of Tai Koo Shing which accommodates 100 different shops and restaurants.

At night, the prosperous city on the Kowloon side glows with a variety of complimentary lights. The amazing view of the harbor with the ululation of the sea. Occasionally, the moon light reflects on the sea under clear sky, providing a beautiful evening scenery you have never seen before.

PARK VIEW

In the early morning at around 5:30 to 6:30 am, you will be able to capture the rising sun from the East at the park.
